

# Mandatory Form To Attend Team Functions: Due 11/21/2017

## North Montco North Penn Robotics Team

The North Montco North Penn Robotics Team is already off to an excellent start, with over 35 students ready to attend meetings and approximately 10 adult mentors. The students are enthusiastic, already planning for another great season! This year we plan to go to Worlds!

The First Robotics Competition (FRC) experience is a fantastic opportunity for the students to be engaged in a mentally challenging contest, exposed to leading edge technologies, and learn from professional engineers. Here the students are also exposed to website development, marketing, fundraising, and other life skills.

To bring the students these awesome opportunities, we must fundraise more than \$40,000 to cover the various expense associated with running a robotics team. The FIRST registration fee for the qualifier events and kit of parts is \$6,000, the regional Championship is \$5,000, and the World Championship is \$5,000. There are many other expenses including parts to build the robot, a trailer to transport the robot, more parts to build a playing field, and pit equipment.

To reach our fundraising goal, we must raise \$800 per student. Although we will be looking at multiple sources of income for the team, a great source of donations is from parents of robotics team members. Please consider making a donation to the team.

Pledge Form	
<input type="checkbox"/> I would like to pledge \$ _____	<input type="checkbox"/> I would not like to pledge at this time.
Student Name _____	Parent Signature _____

Please make checks payable to: North Penn Montco Robotics Club with "Robotics Club" as a memo. Have your child bring your donation to a meeting, or mail it to:

% Frank Torrente  
NMTCC  
1265 Sumneytown Pike  
Lansdale, PA 19446

Another important source of revenue is from corporate sponsorship. We Have several companies already sponsoring the team. Sponsorship benefits can be found on our website [www.frc5404.org](http://www.frc5404.org).

Please consider asking your employer if they would be willing to sponsor. If you know of any other companies that may be interested in supporting a local robotics team, please let us know.

Company Name	Contact Information

Please return this form to Mr. T. Each student who returns a form by November 21 ,2017 gets a free T-shirt. All additional shirts are \$10. *It is recommended to have at least 2 T-shirts as the competition occurs over multiple days.*

If you would like a second shirt, please indicate that on this form and attach \$10. Only 2 shirts for this first order.

**PLEASE FLIP PAGE OVER TO INDICATE T-SHIRT SIZE!!!!**
